

Pioneer Change Agents aims to inspire and enable the local Church to discover its role at the centre of the community and redefine Christian service in the 21st Century.

Let us:

- Turn your vision into reality.
- Accurately assess your community needs and the ability of your Church to respond.
- Identify and develop your Church resources to meet community needs.
- Develop a successful strategic plan and seek finances to fulfil plan.
- Build strategic partnerships with local government and other relevant agencies.
- Deliver professional and sustainable community projects.
- Make Christ Known.
